The Future of Mankind Lies Not
in the development of a more
Complex and Technical society...
only in his ability to
Understand himself....

We Have Not Learned!

John F. Kennedy
Martin Luther King
Vietnam
Guyana

In Jonestown They Killed
Their own Children first.

It is Ironic:
We can put men on the Moon
We have developed Technology
Which can destroy the Earth
With one push of a Switch;
And yet;
We cannot live together without Violence
We pray that this new Generation
Of young people can find a Solution
Where we have failed...

Don't walk in front of me
I may not follow
Don't walk behind me
I may not lead
Walk beside me
And just be my friend

Camus

May the road
rise up to meet you,
May the wind be always
at your back,
May the sunshine warm
upon your face,
And the rain fall soft
upon your fields,
And until we meet again,
May God hold you

The 78-79 Football Season began with winning victories from the various opponents. The Football games this year were really super, the school brought much enthusiasm to the Football Team, from the screams, ra's and hurray's the Football Team moved themselves up the ladder all season. And now it's already state, but the Fighting Wildcats have an easy win over Maricopa to take the Class C North and State Championship. This was the first time in Joseph City High School's History that a Football team has taken state.
